ANNUAL DINNER CONTINUES TRADITIONAL HIGH STANDARDS

ROLLING HILLS DINNER IS GAY AFFAIR

The Spring Dinner honoring the ladies of Gold Key was a delightful affair at the Rolling Hills Golf and Country Club, Friday, May 2.

President and Mrs. M. R. "Cy" Young and about sixty other guests danced to the delightful music of the Abbey Albert trio, enjoyed the singing of Jill Allen, and the fun and sleight-of-hand of Del Breece.

A dinner featuring Filet of Sole and Bouquetierre Filet of Beef, and climaxed with Cherries Jubilee set the tone for the evening.

Michaux Barry and Clara Belle Barber added to the fun by aiding Del Breece in some of his card tricks.

Pictures are shown elsewhere in this issue.

Among those in attendance were President and Mrs. "Cy" Young, Mr. and Mrs. Earle Scott, Mr. and Mrs. Sixten Wollmar, Mr. and Mrs. John Squires, Major and Mrs. William Wardman, Mr. and Mrs. James Hartley, Mr. and Mrs. A. J. Ryan, Cora and August Burghard, Mr. and Mrs. Dwight Rogers, Jr., Dr. and Mrs. Bruno Schmidt;

Mr. and Mrs. Lester White, Mr. and Mrs. Gregory Barry, Mr. and Mrs. Kelly Siddall, Mr. and Mrs. James Farquhar, Mr. and Mrs. Alvar Hagen, Mr. and Mrs. James Donn, Jr., Mr. and Mrs. James Donn, Sr., Mr. and Mrs. Robert Elmore, Mr. and Mrs. Francis T. McCahill;

Mr. and Mrs. Hamilton Forman, Mr. Earl Ross and guest, Edith McGowan, Dr. and Mrs. Joel Warren, Mr. and Mrs. Norman Parks, Mr. and Mrs. John E. Morris, Jr., Mr. and Mrs. Robert O. Barber, Mr. and Mrs. William Runnstrom, Mr. and Mrs. Leo Goodwin, Jr., Mr. and Mrs. Russell French and Prof. and Mrs. Charles Yentsch.

GOLD KEY, in keeping with its practice of earlier years, is already planning for its annual banquet for late November or early December.

The speaker, who will be honored — and who will honor GOLD KEY — and the dinner setting and exact date, will be announced in the next issue of the Novacrat.

He is expected to be a distinguished American, high in government circles, and in the Nixon administration in Washington, is a dynamic speaker, and close to movements which, hopefully, will reshape the world and make it a better place in which to live.

Outstanding Annual Dinner guests of honor of GOLD KEY of other years have been:

Inaugural Dinner, February 22, 1967 - Captain L. L. Jackson, Jr., United States Navy, Commanding Officer of the Atlantic Undersea Test and Evaluation Center (AUTEC), which tests advanced and sophisticated undersea systems on ranges located in the Tongue of the Ocean, Bahama Islands;

Friday, December 1, 1967 - Dr. George Gallup, founder-Director of the American Institute of Public Opinion, of Princeton, N. J.;

And November 25, 1968 - Dr. Glenn T. Seaborg, head of the United States Atomic Energy Commission, Washington, D. C.; a Nobel Prize Winner, and winner of the Arches of Science Award - a gold medal and \$25,000 and who has since become a member of the distinguished Nova University Advisory Board. He is a former chancellor of the University of California,

The 1969 Annual Dinner will be in keeping with the distinguished tradition set at the first three affairs.

MEET NEW MEMBER

Norman Kenneth Parks

Norman Parks, Certified Public Accountant, heads the firm bearing his name at 100 East Las Olas Boulevard in Fort Lauderdale.

He is that rara avis, a native-born Floridian. He was born in Fort Lauderdale, attended military high school at Castle Heights, Lebanon, Tennessee, and graduated in Business Administration from the University of Florida.

Even more unique is the fact that Mrs. Parks, Betty, was born in Hallandale. Both are native Floridians and native Broward Countians. The Parks live in Hollywood.

Betty has served three times as the president of the Women's Golf Association at Orange Brook and is now president of the 200-Member Gulfstream District (13 Clubs) Woman's Golf Association. She and Norman are members of Orange Brook, Hollywood Lakes, and Rolling Hills Golf and Country Clubs. Both are golfers.

Norman has another hobby - automobile racing. When time permits, they attend the 500 at Indianapolis, and the races at Daytona Beach and Darlington. He has a wonderful collection of scale models of antique cars. He's a real old-car buff.

The Parks were a pleasant addition to the Nova group on the recent GOLD KEY trip to Colombia, South America.

NEW MEMBER

Information on new member, Travis Dungan, will be forthcoming in the next Novacrat. . . The Dungans also added to the pleasures of the "Spring Adventure to South America."

100 CLUB FUNCTIONS WELL UNDER YOUNGBLOOD LEADERSHIP

Frederick B. Youngblood

Frederick B. Youngblood, first president of GOLD KEY, who labored to good purpose to get this organization off to a proper start, and now president of the Hundred Club of Broward County, Inc., has brought that fine organization to a happy state.

He was able to announce at its Spring Dinner that the membership limit of 250, set by the Board of Directors, had been reached.

Now, if you want to join, and are approved, your name goes on a waiting list and as vacancies occur, new members are accepted in the order that they are received. A happy state for any organization.

The purpose of the Hundred Club is to help provide for the widows and orphans of firemen and law enforcement officers who have lost their lives in the line of duty.

Six members of Fred's Board of Directors are GOLD KEYSMEN: Donald U. Bathrick, Robert L. Elmore, G. Russell French, George W. "Bob" Gill, Jr., L. C. Judd.

Other GOLD KEY people supporting this fine activity include: W. Howard Allen, (L. F. R. Bellows, former member), August Burghard, Stanley A. Emerson, George W. English, James Farquhar, Edward E. Fitzgerald, Paul E. Fitzpatrick;

Foy B. Fleming, Hamilton C. Forman, Leo Goodwin, Jr., Warren J. Henderson, Richard O. Kearns, Francis T. McCahill, Charles Serianni, Kelly Y. Sidall, Dr. Wells M. Squier, Frederick L. Van Lennep, Maj. Wm. E. Wardman, U.S.M.C., Ret.;

Davis Weir, Gene A. Whiddon, Dr. Warren Winstead, Sixten F. Wollmar, and GOLD KEY President, M. R. "Cy" Young.

WHIDDON HEADS MAJOR CIVIC GROUP

GENE AND ANGELYN WHIDDON

Gene Austin Whiddon, veteran member of GOLD KEY, Vice President and General Manager of Causeway Lumber Co., Secretary-Treasurer and General Manager of Alray Supply Company, has been named President of the Greater Fort Lauderdale Chamber of Commerce.

Serving with Gene on the Chamber of Commerce Board of Directors will be GOLD KEYSMEN W. Howard Allen, Sidney Banks, Robert L. Elmore and Foy B. Fleming.

Watch things happen in the big civic and business organization in 1969-70!

Whiddon has been an active, driving force in Fort Lauderdale and Florida in his 33 years in the state. He serves on the First National Bank Board, was President of the United Fund in 1964, and was on the Board, Vice President, and President of the Florida Lumber and Building Materials Dealers Association; the Y.M.C.A., the Citizen's Safety Council, the Metropolitan Dinner Club, and others.

He likes to fly a plane, is a Kiwanian, a member of the Opera Guild, L.Y.C., AOPA, and the National Affairs Committee of the National Retail Lumber Dealers.

He is a past President of the Broward Builder's Exchange, and is a member of Fred Youngblood's Hundred Club.

Gene is still a young man. The Chamber of Commerce is due one of its better years.

ATOMS OF RIME

by

DR. BRUNO C. SCHMIDT

FINIS

There is a chamber deep
within our soul,
That lies behind a secret
well-locked door;
It guards the blueprint
for our visioned goal
In chartered codes of
dreams yet to explore.

It holds the clock of time,
set for the measured hour,
When drawn will be the Silver Cord
to lift the veil
By muted magic power-
and naked bare
Will stand our soul
before the Lord.

IMPORTANT MATTERS BEFORE BOARD

The final pre-summer Directors meeting of GOLD KEY will be held in the form of a luncheon at the Lauderdale Yacht Club at noon, Thursday, June 5.

MAY MEETING

Regular Directors Meeting activities for May (Thursday, May 1) were deferred so that the GOLD KEY officers could sit in on a most successful larger meeting staged at the same time with the Trustees of the Joseph Osswald Estate—Messrs. Dale Dunifon, Arthur Madsen and Attorney William Morse.

President Young acted as master of ceremonies for the Osswald luncheon. Impressive reports were made by Dr. Joel Warren of Life Sciences, on the Cancer Research Center now being completed in the Louis W. Parker Physical Sciences Center, and by Professor Charles Yentsch of the Oceanographic Department of the University.

Present were: Mr Dale Dunifon, Bill Morse, Art Madsen, Foy B. Fleming, Robert O. Barber, John Matchette, Dr. Joel Warren, Dwight L. Rogers, Russell French, Gregory Barry, James Farquhar, Stanley A. Emerson, William Horvitz, John Monson, Edward J. Marko, James H. Brodhead, Dr. Lee McLean, August Burghard, Leo Goodwin, Jr., Virginia Anheuser, Professor Charles Yentsch, Press Hartley, Lester White and Robert L. Elmore.

YACHT GIFTS

The luxury yacht, the Moonson V, given to the University by John Monson, was acquired by Mr. Matchette.

Mr. Brodhead, of the active University Yacht Acquisition Program, advises that to date 30 boats of varying sizes have been contributed to Nova, from runabouts to 100-foot luxury yachts.

It is reported to be a desired tax advantage on donations of these yachts, some of which are used by the University in the School of Oceanography. In other instances, they are sold and the money is used for University purposes.

Six fine boats, the last acquired on May 28, a 50-foot diesel yacht, have been acquired since April 1. It has been suggested that any GOLD KEY members who know of any potential yacht donors be requested to contact Nova University Development Office.
